

For Rules, Requirements, Forms and Wordlists:

Available online at
www.agribee.org

Your students will benefit in multiple ways!

- Knowledge about local agriculture, nutrition and food production
- Chance to win a Laptop
- Other awards include:
 - Kindle E-Readers
 - Gift Cards
 - Medals
 - Certificates
 - T-Shirts and much more!

Students are excited and proud of their accomplishments in the Agribee. It is a fun educational experience for them and their whole family.

Agriculture is a very important part of the Northern California community. Students will be given the opportunity to learn about multiple agriculture aspects that are happening all around them.

Agribee Final

At the Patrick Ranch Museum in Durham, CA

How to Participate: Each school that signs up to participate for the Agribee will host their own, schoolwide Agribee to determine two finalists who will attend the Final Regional Agribee.

4th & 5th Grade Common Core Standards are met through the Agribee Wordlist.

Vist : www.agribee.org for more details!

Not all fourth and fifth grade classes are required to participate for the school to be able to send finalists to the regional final Agribee.

Don't Miss Out!

Sign up today for a beneficial educational experience for your students future!

2016 Agribee Wrap - Up

**2016 Agribee Winner
Christopher Chen**

With his brand new laptop!

Christopher also won a Field Trip for his entire classroom to an agriculture aviation center right here in Butte County!

Students received a tour of AVAG Inc located in Richvale, CA. During the tour the students were able to get an inside look on one of many aspects of Agriculture represented in Butte County.
